Re: MUR 6329

Dear Mr. Jordan:

I am the treasurer of the above campaign. I received your notice dated July 20, 2010 and have enclosed a copy for your convenience. I apologized in advance for the tardiness of my response but I was told that the campaign staff would handle the response. I have not received a copy of their response as of yet.

When I presented the enclosure to the campaign staff I was told that certain lawn signs were placed in front of homes of Mr. Grimm's supporters. When it became known to Mr. Grimm that the signage did not have the appropriate disclaimer he immediately asked his staff to prepare labels with such disclaimer. Those labels were to be affixed to the front of the signage in question.

For my part, I requested that all further printed material have the appropriate disclaimer. In addition, I requested that in the future all material emanating from the campaign office be approved by our campaign consultants.

I did delay the mailing of a specific endorsement letter until I was assured by those consultants that it met both the letter and the spirit of the law.

Should you have any questions or need additional information please call.

Very truly yours,

Wayne T. Muratore, CPA - Treasurer
